

### Consent for Verification of Benefits

Because insurance coverage for birthing center care is often complex, Brooklyn Birthing Center requires that all prenatal clients obtain a Verification of Benefits report through Digital Medical Billing. As a professional billing service, Digital Medical Billing is prepared to investigate and explain your plan details, provide information about your anticipated out-of-pocket costs, help you to obtain required authorizations, and negotiate single case agreements if necessary. However, Digital Billing will not be held responsible if an insurance payer provides misinformation or changes their policies during your pregnancy.

I, \_\_\_\_\_ (name), born \_\_\_\_\_ (date of birth), consent to pay Digital Medical Billing the non-refundable fee of \$25.00 in order to verify my insurance benefits in accordance with HIPPA standards. I will provide my insurance information and credit card information as requested.

### Credit Card information

Card holder name: \_\_\_\_\_

Card holder full address: \_\_\_\_\_

Card number: \_\_\_\_\_

Expiration date: \_\_\_\_/\_\_\_\_ Security CVV number: \_\_\_\_\_

Signature \_\_\_\_\_

**Please e-mail the following documents to Molly at [digitalbillingcorp@gmail.com](mailto:digitalbillingcorp@gmail.com):**

- **This signed and completed form**
- **A clear image of your insurance card (both front and back)**

**Digital Billing will contact you if more information is needed. You can expect to receive a completed Verification of Benefits Report within 2 – 3 business days.**
